What are tool and material storage containers?

Our Tool and Material Storage containers are the perfect solution. These containers provide secure and weather-resistant storage for tools and materials of all sizes. They can be customised with features such as shelving, lighting, and ventilation, ensuring that your tools and materials are easily accessible and protected from the elements.

What types of shipping containers are available in Australia?

With our extensive range of containers and fast delivery service Australia wide, your business can thrive and meet the growing demand for containers. We offer an extensive selection of shipping containers, including standard dry containers, refrigerated containers, open-top containers, flat-racks, and more.

What is a shipping container used for?

Perfect for the static storage or transport of furniture, equipment, pallets, liquids and much more. Shipping containers come in a range of standard sizes, with their length often quoted in feet. Most containers are the same width, and there are two common heights, a general purpose or high cube variant.

How do I order wholesale shipping containers?

Ordering wholesale shipping containers from us is easy and convenient: 1. Browse our Catalog Explore our extensive catalog of shipping containers on this website. Take note of what size, type, or other preferences you require. 2. Request a Quote
