Who is Dhaka Electric Supply Company Limited?

Dhaka Electric Supply Company Limited (DESCO) is a public limited company which distributes electricity at the northern parts of Dhaka City and Tongi Town of Gazipur District. The company was created in November 1996 under the Companies Act 1994 as a Public Limited Company.

What is Dhaka Electric Supply Authority (Desa)?

The power generation and distribution system of Dhaka was managed by BPDB until 1991. An autonomous organisation named Dhaka Electric Supply Authority (DESA) was created by an ordinance promulgated by the President in March 1990 to improve services to the consumers and to enhance revenue collection by reducing the prevailing high system loss.

When did electricity start in Dhaka?

Tradition goes that the Nawab of Dhaka introduced electricity in Dhaka in 1901 when he installed a small generator in his residence Ahsan Manzil. Power generation for public use started in 1930 when a privately owned company M/S DEVCO developed an electricity distribution system.

When did power generation start in Dhaka?

Power generation for public use started in 1930 when a privately owned company M/S DEVCO developed an electricity distribution system. Private companies managed power generation and distribution system in Dhaka until the end of British rule in 1947.
