Will Iraq launch a fully government-owned 5G network?

Shafaq News/On Tuesday,Iraq's Ministry of Communications announced the signing of an agreement with global telecom giant Vodafone to launch a fully government-owned 5G network. Vodafone is one of the leading telecommunications companies in Europe and Africa,serving over 330 million customers across 15 countries.

Does Vodafone support Iraq's 5G network?

Peter Dvorak,CEO of Vodafone's Partner Markets,highlighted the socio-economic benefits of the project,stating Vodafone's commitment to applying its global expertise to Iraq's 5G network,including training local talent. (Source: Ministry of Communications) By John Lee.

Is Vodafone planning a new cellular network in Iraq?

The cabinet directed the ministry of communications to proceed with the project,state-run Iraq News Agency (INA) reported,citing a statement by the prime minister's media office. Vodafone said it was discussing a role as an advisor in designing the network rather than operating it,Reuters reported. "Discussions are still ongoing.
