-----

Mozambique's energy sector is transforming, driven by a new solar tender from MIREME and ARENE for decentralised solar and ...

The Ministry of Mineral Resources and Energy (MIREME) of Mozambique has announced the launch of a new tender for decentralized ...

Mozambique's Energy Regulatory Authority (ARENE) has launched a tender for the development of hybrid minigrids that integrate solar power and battery energy storage ...

The project, backed by the German government through KfW Development Bank, targets the deployment of solar-powered mini-grids with integrated battery energy storage ...

Mozambique's energy sector is transforming, driven by a new solar tender from MIREME and ARENE for decentralised solar and battery storage systems. This initiative aims ...

Mozambican regulator Autoridade Reguladora de Energia (Arene) has issued a request for proposals (RfP) for independent power producers (IPPs) to develop and install solar PV and ...

African independent power producer Globeleq has finalised its acquisition of a 75% stake in the 41MW Central Solar de Mocuba solar project in Mozambique from Norwegian firm Scatec and ...

Mozambique's energy regulator has launched a tender for solar-plus-storage hybrid projects across several provinces. The deadline for applications is Sept. 13.

This info session aims to brief developers, independent power producers, financiers, and other stakeholders

about upcoming solar and energy ...

Mozambique's Ministry of Mineral Resources and Energy (MIREME) has announced the launch of a new tender for decentralized solar photovoltaic (PV) and battery energy storage systems ...

Summary: Mozambique has launched a groundbreaking photovoltaic energy storage project to address energy shortages and accelerate its renewable energy transition. This article explores ...

Mozambique's energy regulator has launched a tender for solar-plus-storage hybrid projects across several provinces. The deadline for ...

The Ministry of Mineral Resources and Energy (MIREME) of Mozambique has announced the launch of a new tender for decentralized solar photovoltaic (PV) and battery ...

This info session aims to brief developers, independent power producers, financiers, and other stakeholders about upcoming solar and energy storage tenders in Mozambique under the ...
