What makes a good outdoor patio bar?

This outdoor patio bar boasts two powder-coated steel bar tops, providing generous room for mixing drinks and serving food. The premium galvanized steel surfaces are rust and corrosion-resistant, making them strong and easy to clean. Integrated steel shelving offers plenty of bar storage for your glassware, bottles, and other bar accessories.

What is the best outdoor power strip?

My top pick, the APS IPX6 9-in-1 Outdoor Power Strip, is waterproof, durable, and includes a mixture of three-prong outlets and USB plugs. See which other models I recommend below. The outdoor power strips below are the best of the bunch. My selections range from small three-outlet power strips up to large capacity 10-outlet models.

What is a curved outdoor bar?

If your home's outdoor space requires a touch of serving space, an outdoor bar like this is a great option for rounding out any entertainment ensemble. Crafted from solid acacia in a natural finish, this curved bar features a slat construction perfect for a tropic touch on a patio or deck.

Are outdoor power strips waterproof?

Some outdoor power strips also function as surge protectors and have built-in fuses that cut off the flow of current when it exceeds the maximum wattage for a standard 15-amp outlet, which is 1,875 watts. Outdoor power strips designed for continuous outdoor use also have an IPX rating, which designates how water-resistant they are.
