-----

Photovoltaic home single-phase system Sofar. The Sofar monophase system is an ideal option between quality and price offered by Siko.bg

Grid photovoltaic system for self-consumption, built to cover part of the energy needs of a company in the city of Sofia.

All the solar panels, inverters, and storage in a container unit make it scalable as well as small-scale power solution. The present paper ...

All the solar panels, inverters, and storage in a container unit make it scalable as well as small-scale power solution. The present paper discusses best practices and future ...

We present to you another successfully completed project - a 6kW hybrid single-phase photovoltaic system installed in the town of Sofia. This project was implemented on a pitched ...

Verila solar farm is an operating solar photovoltaic (PV) farm in Sofia, Bulgaria.

Below you can find some pictures from the installation process, as well as what it looks like in its finished state. Get in touch with, so that we can design and build the optimal ...

The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight and environmentally friendly ...

The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight ...

Newly build photovoltaic installations for own consumption with a capacity of 110 kWp and 100 kWp. The goal of the projects is to build new PV installations in order to increase ...

Submit your inquiry about solar container systems, photovoltaic folding containers, mobile solar solutions, and containerized solar power. Our solar container experts will reply within 24 hours.

AES Sofia Solar PV Park is a 100MW solar PV power project. It is planned in Sofia, Bulgaria. According to GlobalData, who tracks and profiles over 170,000 power plants worldwide, the ...

We present to you another successfully completed project - a 6kW hybrid single-phase photovoltaic system installed in the town of Sofia. This ...
