Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1 SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Do wholesale solar panels come on pallets?

Our wholesale solar panels come on pallets, offering you the perfect wholesale solar panel solution for larger projects or resellers. Whether you're outfitting a commercial property or stocking up for a residential install, these pallets of solar panels provide high-quality performance at unbeatable prices.

Why should you buy solar panels wholesale?

Solar panels can be very different in terms of cost, and several factors impact the final price, such as wattage, brand, type of panel, warranties, etc. Whatever brand you pick, its solar panel wholesale price is lower than retail, so you end up saving a lot.

Can I buy solar panels in bulk containers?

Buy solar panels in bulk containers for large PV projects. Save BIG! Contact us for a quote on container pricing. Solar panels convert sunshine into renewable electricity. They come in all shapes and sizes, from durable thin-film solar panels to rigid aluminium-framed crystalline solar panels.

Take advantage of bulk pricing and ensure your project has the reliable, clean energy it needs. Browse our wholesale solar panels today and power up your next project efficiently and ...

We carry a large selection of solar panels for sale from small trickle charge 10 - 20 watt panels to large commercial 400+ watt panels. Buy solar panels direct online or call us!
