Mobil-Grid; 500+ solarfold is a 20 Feet ISO High Cube container, with CSC certification, which integrates a plug and play pre-wired deployable and redeployable solar plant

Let's face it - water storage isn't exactly the sexiest topic at dinner parties. But when solar modular water storage tanks start turning rainwater into liquid gold while slashing energy bills, ...

We offer a highly portable container, designed as a shop space, to load portable batteries, to filter water and sell clean water & energy.

The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight and environmentally friendly ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, easy to unfold thanks to a sophisticated rail ...

Explore our range of high-efficiency solar container solutions designed for businesses worldwide. Our containers combine cutting-edge technology ...

Explore our range of high-efficiency solar container solutions designed for businesses worldwide. Our containers combine cutting-edge technology with durability and ease of deployment.

From portable units to large-scale structures, these self-contained systems offer customizable solutions for generating and storing solar power. In this guide, we'll explore the ...

The Intech Energy Container -- or ECON -- is a modular, pre-configured off-grid power solution. It combines

solar PV, battery storage, inverters, and energy management in a rugged container.

High-efficiency Mobile Solar PV Container with foldable solar panels, advanced lithium battery storage (100-500kWh) and smart energy management. Ideal for remote areas, emergency ...

Mobil-Grid®; 500+ solarfold is a 20 Feet ISO High Cube container, with CSC certification, which integrates a plug and play pre-wired deployable and ...

From portable units to large-scale structures, these self-contained systems offer customizable solutions for generating and storing ...

Our pioneering and environmentally friendly solar systems: Folded solar panels in a container frame with corresponding standard dimensions, ...

Fully customizable to your exact needs. The durable container design is completely waterproof, protects you and your equipment from the elements and any potential security threats. RPS ...

Fully customizable to your exact needs. The durable container design is completely waterproof, protects you and your equipment from the ...

The innovative and mobile solar container contains 200 photovoltaic modules with a maximum nominal output of 134 kWp and, thanks to the lightweight ...
